The screenshot shows the Dexscreener interface. The top navigation bar includes a search bar, a 'Get the App!' button, and a 'Watchlist' section. The main content area displays a table of tokens with columns for 'TOKEN', 'PRICE', 'AGE', 'TXNS', 'VOLUME', 'MAKERS', and percentage changes for '5M', '1H', '6H', and '24H' periods. A red box highlights the 'Gainers & Losers' filter in the left sidebar.
